#### **Provisions applicable to B1 and B2**

1. If Your Car is damaged, at Our option We will:
  - a) Repair the damage to Your Car; or
  - b) Settle the claim by monetary payment; or
  - c) Provide You with a replacement Car.
2. We will reduce any monetary payment made to take into account wear, tear and loss of value when We settle claims.
3. We will only repair or replace Your Car under sections B1 and B2 if the Excess has been paid.
4. Where We agree to settle the claim by a monetary payment instead of repairing or replacing Your Car, We will only make a payment where:
  - a) The Excess has been paid; or
  - b) We reduce the amount of the payment by the amount of the total Excess(es).
5. If Your Car cannot be driven as a result of damage insured by this insurance, We will:
  - a) Take You and Your passengers to the approved repairer, nearest local amenity, or safe place within 10 miles of the incident location; and
  - b) Cover up to a maximum of £100 for any one claim to travel home or to Your original destination; or

7. All repairs carried out by Our approved repairers are guaranteed for 5 years from the date the repairs are completed, as long as You own the vehicle. Any parts used during the repair are covered under the manufacturer's guarantee. In the unlikely event the repairs are considered unsatisfactory, the approved repairer will have the option to rectify their work. Should the repairs still be considered unsatisfactory, You may use another repairer providing We agree for the work to be carried out. If You do not wish to use Our approved repairers an additional Excess of £200 will apply. This Excess is in addition to any other Excesses under Your policy. We will be unable to provide You with a courtesy car. You will need to give Us an estimate from Your preferred repairer. If We think the estimate is unreasonable, We can:

We do not provide a courtesy car if You request that We sub-contract the repair work that We are to carry out to a repairer of Your choice, even if the Courtesy Car option is shown in Your Schedule.

You should be aware that We are entitled to provide settlement up to the Limit of Coverage after deducting the applicable Excess(es) in full and final settlement of Your claim for damage to Your Car, even if that value is under-stated. 11. If You have bought Your Car under a finance, hire purchase or leasing agreement or Your Car is wholly or partly electronically powered and the batteries are leased and a settlement is due to be made by Us under this policy, and We decide to make a monetary payment to either repair the loss or damage, because Your Car is Beyond Economic Repair, or because Your Car is stolen and not recovered, then any payment made will be used to discharge any sums owed to the hire purchase company or leasing company or bank, or other lenders less the applicable Excess(es). If the settlement amount under the agreement is less than the sum due under the policy, We will settle the difference with You.
12. If We make settlement of the Market Value of Your Car or the Limit of Coverage in settlement of a claim under sections B1 and / or B2:
  - a) You must send Us the Car Registration Document and any current test certificate.

During the first 14 days of the Period of Insurance You will be contacted by the local installation partner to arrange the installation of Your Telematics Tracking Device. You will be required to make Your Car available at a location agreed between You and the installation partner within 21 days of the commencement date of the Period of Insurance to enable the installation of the Telematics Tracking Device to take place.

You will not have to pay for the first installation of the Telematics Tracking Device and We will cover all data costs. If You change Your Car during the Period of Insurance, You will have to pay for a new Telematics Tracking Device to be installed in your Car.

You are required to meet the expenses associated with delivering Your Car to the location at which the Telematics Tracking Device is to be installed. There are no fees charged if You fail to attend the booked installation at the agreed location but We reserve the right to cancel Your policy if You fail to complete the installation process within the 21 day time period. The installation process will take approximately one hour.

If you change Your Car You must notify Your Broker as soon as possible. Your Broker will arrange for a Telematics Tracking Device to be installed and you must contact the installation partner within 21 days of cover commencing for Your Car in order that a Telematics Tracking Device can be installed on Your Car in accordance with Section N – Telematics terms and conditions.

You will not be eligible to earn weekly rewards prior to the installation of Your Telematics Tracking Device. In the event of any unforeseen delay in installation being completed, Your Broker will not be liable to provide rewards or payment in lieu of rewards. If Your Telematics Tracking Device is installed prior to the commencement date of the policy We may begin recording journeys made in Your Car before the commencement date of the Period of Insurance.

## TELEMATICS TRACKING DEVICE

The collection and transmission of data by the Telematics Tracking Device may occasionally be impaired or interrupted by operational and / or atmospheric conditions, power failures, or other causes, conditions or events beyond Our reasonable control or the capabilities of the Telematics Tracking Device. This does not necessarily mean the Telematics Tracking Device is defective.

If the Telematics Tracking Device is suspected by Us to be defective, We will contact You and make all reasonable endeavours to repair or (at Our option) replace the Telematics Tracking Device free of charge. If You suspect the Telematics Tracking Device to be defective for any reason You must notify Us as soon as possible to enable an investigation and, if necessary, a repair or (upon Our confirmation) replacement of the Telematics Tracking Device in Your Car. This does not apply to any item which is part of Your Car and which is used to enable the operation of the Telematics Tracking Device and / or in conjunction with it (e.g. vehicle battery) as such items are Your responsibility to maintain in good working order.

We reserve the right to replace the Telematics Tracking Device at Our option and expense at any time with any other Telematics Tracking Device providing You with at least the equivalent functionality. This will ensure the Telematics Tracking Device is updated if there are technological changes or improvements. We will only exercise this right:

1. When replacing a defective Telematics Tracking Device; or
2. When installing a Telematics Tracking Device in Your new car (following a change of vehicle on Your policy).

## DRIVING STYLE SCORES

The Telematics Tracking Device collects information about the way You drive. This information is used by Us to calculate Your Driving Style Score. Every Journey made in Your Car will be given a Driving Style Score. This data will be made available to You, Us and Your Broker via the secure area of Your Broker's website <http://mydashboard.carrotinsurance.com>.

The Driving Style Score is calculated by Us and is based on the following factors:

1. Smoothness – measures sharp acceleration, braking, deceleration, changes in direction and up and down movement over the course of each Journey. The smoother You drive the higher the Driving Style Score which may be earned.
2. Speed - measures Your speed against both the average speed and the speed limit for the roads being driven. Your speed score will reduce based on the amount of time Your speed is above the average for the road or the speed limit and increases for the amount of time Your speed is below the average for the road or speed limit.
3. Usage – measures time of day, Journey volume and Journey duration.

Your Driving Style Score may also be used to detect unacceptable driving behaviour and consistently negative scores could result in the cancellation of Your policy if no improvement is made by You.

### **WEEKLY DRIVING STYLE TREATS**

Your policy includes a weekly reward mechanism based on Your Driving Style Score. The overall Driving Style Score achieved for each week is compared with the Driving Style Score used to calculate your premium. If Your Driving Style Score is over five (5) You may be given a reward which You can exchange for online vouchers from Your Broker's rewards partner via Your secure area of Your Broker's website <http://mydashboard.carrotinsurance.com>.

All rewards will expire at the end of each 7 day period unless claimed by You. Rewards may be banked in order to be spent on higher value vouchers. Your total balance is available to you via Your secure area of Your Broker's website. If Your policy ends for any reason (including cancellation) You will no longer have access to the secure area of the website and You will lose any rewards not spent. We or Your Broker will not be held liable for the payment of any reward You have failed to claim or spend for any reason. These rewards do not have a cash value and You will not be entitled to any monetary payment in lieu of a reward.

### **TOP UP MILES**

Your policy allows Your Car to be driven up to the maximum mileage amount shown in the available miles area of the secure area of Your Broker's website <http://mydashboard.carrotinsurance.com>. The number of available miles on Your policy are chosen by You during the arrangement of Your policy.

If you require more miles during the Period of Insurance than is shown in Your available miles You can purchase Top Up Miles by contacting Your Broker. The price of Top Up Miles is based on Your Driving Style Score at the time You purchase the Top Up Miles.

If You exceed the number of available miles included in Your policy and You do not purchase Top Up Miles, Your policy will be cancelled in accordance with Section L – Cancelling your policy.

### **UNACCEPTABLE DRIVING BEHAVIOUR**

You and any driver of Your Car must observe the law at all times. Poor driving behaviour (including Your Car being driven at speeds which exceed the speed limit for the road on which it is being driven) will affect your Driving Style Score.

### **Consistently negative Driving Style Score**

Your Driving Style Score is continuously calculated and updated based on every Journey undertaken in Your Car. It is Your responsibility to maintain an average Driving Style Score that is positive (greater than zero) or Your policy will be cancelled.

If We detect that You have a consistently negative Driving Style Score (a score less than zero) for any given week where You or any permitted driver have completed one or more Journeys of a total distance greater than 5 miles You will be warned both in writing by email and via the secure area of Your Broker's website about future driving conduct. If following this warning You have a negative Driving Style Score for:

1. a further consecutive week, or
2. a total of 4 weekly scores which are negative (including the week which prompted the original warning) in any one Period of Insurance,

Your policy will be cancelled in accordance with Section L – Cancelling your policy.

### **Extreme Driving Behaviour**

If we detect that You or any permitted driver of Your Car has driven in a dangerous and/or illegal manner We reserve the right to cancel Your policy in accordance with Section L – Cancelling your policy. Dangerous and/or illegal driving can include but is not limited to:

1. Driving well in excess of the speed limit,
2. Extreme acceleration events, or
3. Swerving and cornering too quickly.

### **TAMPERING / ALTERATIONS**

If, during the monitoring of data from Your Telematics Tracking Device, We suspect that there has been unauthorised interference with the Telematics Tracking Device or any interference with the GPS/GSM signal emitted from the Telematics Tracking Device You must allow an installation partner to inspect Your Telematics Tracking Device within 7 days. If You fail to allow the installation partner to inspect Your Telematics Tracking Device within 7 days, or fail to make or keep an appointment with the installation partner within 7 days, Your policy will be cancelled.

If a fault is detected and is found not to be the result of unauthorised interference the Telematics Tracking Device will be repaired or replaced in accordance with Telematics Tracking Device warranty. However, if, on inspection it is found that the Telematics Tracking Device and/or its emitted signal has been the subject of unauthorised interference, such interference will be treated as a fraudulent act, and Your policy will be cancelled with immediate effect.

Damage or loss caused by any form of tampering or nonpermitted interaction with the Telematics Tracking Device is not covered by this insurance policy.

## **CANCELLATION OF YOUR POLICY AND IMPACT ON THE TELEMATICS TRACKING DEVICE**

We will not be held responsible for any damage to Your Car caused by de-installation of the Telematics Tracking Device by You or anyone acting on Your behalf.

If at any time You no longer wish to use the Telematics Tracking Device and request that data collection from the Telematics Tracking Device ceases, the policy will be treated as cancelled by You.

We reserve the right to cancel Your policy in accordance with the terms set out in Section L – Cancelling Your policy. The reasons for cancellation will be explained to You and include, but are not limited to:

1. If the policy information provided by You is inaccurate or incomplete.
2. If the Telematics Tracking Device provided is damaged by You or anyone appointed by You in a malicious or deliberate way, in an attempt to prevent the Telematics Tracking Device from working or recording Your driving behaviour.
3. Unacceptable driving behaviour, such as speeding, swerving, cornering or extreme acceleration.
4. Consistently negative Driving Style Score for two consecutive weeks or 4 weeks during the Period of Insurance.
5. If You default on Your instalment plan.
6. Any suspected unauthorised interference with the Telematics Tracking Device.

If You sell Your Car, You will be obliged to notify the new owner that a Telematics Tracking Device has been installed. You are also obliged to notify Us of the new owner's details in order to confirm that they have been informed.

## **COMPLAINTS PROCEDURE – TELEMATICS TRACKING DEVICE INSTALLATION AND FAULTS**

If You have any enquiry or complaint relating to the installation, a faulty Telematics Tracking Device, or the repairs to a Telematics Tracking Device, please contact Us using the details provided in the 'Complaints' section. This section provides further details on the timescales involved if You make a complaint.

## Section O - Use of the Telematics tracking device data

Your data will be processed in accordance with Data Protection Legislation. It is very important that You read this section so that You understand how the information collected by the Telematics Tracking Device will be used.

For the purpose of providing You with the policy, the Data Controllers for personal data recorded by the Telematics Tracking Device are Us and Your Broker. The Telematics Provider operates as both a Data Processor and a Data Controller of your personal data.

This means the Telematics Provider uses Your personal data, as instructed by Us and Your Broker, to provide You with the agreed services. The Telematics Provider may also use certain Telematics Data, collected by them, to improve their product and services. This will be carried out in an aggregated form, using anonymisation or pseudonymisation techniques.

By proceeding with the application for insurance, You understand and agree to the use of the Telematics Tracking Device data. You must show this notice to any named driver on Your insurance policy and any other person who drives Your Car so they are aware that a Telematics Tracking Device has been installed and that their journey will be monitored and data collected.

If You sell Your Car You must ensure that the new owner of the vehicle is aware that it has a Telematics Tracking Device fitted and that the vehicle movements will be tracked.

### **WHAT DATA IS CAPTURED BY THE TELEMATICS TRACKING DEVICE?**

The Telematics Tracking Device in Your Car records speed, acceleration, braking, cornering and mileage at time of usage. It also collects data relating to the type of roads You use. Your Car's GPS location is recorded at all times. This data is collected by the Telematics Provider via a mobile data link. If You have any questions about the data the Telematics Provider collect as part of providing this service, please see Our Privacy Statement for further details [www.haven.gi/privacystatement](http://www.haven.gi/privacystatement). Further details are also available in the Privacy Notices of Your Broker and the Telematics Provider.

Your Broker manages this data on Our behalf as described below.

## **HOW WILL THE TELEMATICS TRACKING DEVICE DATA BE USED?**

This data will be used to build up a profile of how, where and when Your Car is driven. Your Broker will use the data to identify extreme driving events which may result in the cancellation of Your policy. If Your policy is cancelled due to extreme driving this information will be shared with other insurers and may lead other providers refusing Your application for motor insurance.

Your Broker will monitor the data to calculate Your total Mileage. Should You exceed the amount agreed prior to purchasing the policy and do not purchase Top Up Mile, We reserve the right to cancel Your policy.

Your Broker monitors Your data to help them identify if You have an accident. If Your Broker is alerted to such an incident they will contact You to check You are okay and take steps to start the claims process by sharing Your data with Our Appointed Claims Handler who will use Your data as part of the claims process. We may also share GPS location data with the Police to help recover Your Car if it is stolen.

We will not use Your driving data as a 'speed camera' but We will use the data to help Us identify if another driver is making a false claim against You or if You are making a false claim.

## **HOW IS YOUR DATA PROTECTED?**

We, Your Broker, Our Appointed Claims Handler and the Telematics Provider will not release Your data to the Police or to any civil authorities without Your consent, unless fraudulent activity is suspected or if required to do so by law or a court order. Please refer to 'Sharing Your Personal Data' on Page 43 which provides further information on how We will use Your Personal Information or read Our Privacy Statement on [www.haven.gi/privacystatement](http://www.haven.gi/privacystatement).

We take the security of Your personal data seriously and have implemented appropriate operational and technical measures to protect Your personal data. We take steps to ensure that our service providers implement similar measures that adhere to the same standards.
